

Dr. Barish has been practicing gastroenterology in Raleigh since 1985 when he joined Wake Internal Medicine Consultants. He and his 3 GI partners have recently formed Wake Gastroenterology as a division of Wake Internal Medicine. Dr. Barish attended medical school at the University of Florida and completed his Internal Medicine and GI training at Wake Forest University School of Medicine. He is a Fellow in the American College of Physicians, the American College of Gastroenterology, and the American Gastroenterological Association. Dr. Barish sees many patients with Crohn's Disease and Ulcerative Colitis and is a strong supporter of CCFA. He also works with medical students from the University of North Carolina where he is a Clinical Assistant Professor of Medicine. In addition to his medical practice, Dr. Barish founded Wake Research Associates in 1985, and has become a respected thought leader in both the Pharmaceutical and Biotechnology industry. He has authored and co-authored articles regarding gastrointestinal disease in numerous medical journals and books.
